## School Organisation

Dear Parents/Guardians,

Welcome to Week 2 of Term 2! Term 2 is a longer term, with 11 weeks in total, so here's hoping it will be extremely productive for all concerned.

### MR NASH

As you would've been aware, Mr Nash (Peter) took Leave unexpectedly at the end of Term 1. Whilst he is well, he certainly needs the break as he contemplates his future teaching. We have been very lucky to have Amanda Bateman step in. Amanda is one of our BHPS staff, currently on Family Leave, and therefore knows how we run classes at Big Hill PS. The girls and boys absolutely think the world of her too, so having Amanda has been a blessing considering the quick leave arrangements with Peter. As outlined, at this state, Peter will be on Leave until the end of Term 2. We have had to advertise a position and go through a selection process (takes around 4 weeks). Yesterday, Renae Westley, Dean White and I finished this process and are happy to announce that we have found a very suitable replacement for Peter. Rhys Bull is our successful applicant and comes to us after teaching a Year 2/3/4 at Inglewood Primary School, whilst also working this year on-and-off at Kangaroo Flat PS. Rhys will begin on Monday and will be with us until (at least) the end of Term. Please make Rhys feel very welcome and drop in to meet him in the coming week, especially if your child is in Middle Nash.

### AINSLEY STANLEY

Congratulations to Ainsley and Steven on the safe arrival of their beautiful little girl, Audrey Grace. Audrey arrived last Friday and is healthy and happy. It's pleasing to report that Ainsley is also doing very well and the family are enjoying this special time together. Whilst Ainsley is on maternity leave this term, we are lucky to have Tash Turpie working in her room. I expect that Ainsley will return to full time employment at the commencement of Term 3.

### ANZAC DAY

Big Hill PS has certainly taken the time to reflect on ANZAC Day and show our respects. Last Friday, Sharyn Burnett and three of our four student leaders travelled down to the Shrine of Remembrance to participate in the schools service. From all reports, this was a special day and the students really enjoyed the opportunity to pay their respects at such a massive venue with so many people present. A big thank you to Sharyn for spending the day travelling down and back with our students. On Tuesday, our Senior Unit lead a school service for the whole school, recognising the importance of ANZAC Day to all Australians. Well done to those concerned – the service went off well and was totally student lead! Yesterday I had the pleasure of marching with our school leaders, one of our students who went to Portsea Camp courtesy of the RSL and a large group of students from Big Hill PS. It was an honourable moment walking down High Street Kangaroo Flat with our children in their school uniform, recognising the significance of the 25<sup>th</sup> of April. Once at the cenotaph, our 4 student leaders proudly lay wreaths on behalf of our School Community during a touching service from 9:45am – 10:30am. A huge thank you to all families, students and staff who attended and came in uniform. It was wonderful to see so many of you there and I was very proud to see so much black and gold.

Lest we forget!

## **TEAM CHINA – OVERSEAS LEARNING EXPERIENCE**

If you haven't already paid the full amount of the trip to Beijing, Shanghai and Suzhou, please do so ASAP as this is overdue. Very shortly, I will begin organising the spending money, converting individual's spending money from Australian Dollars to Chinese Yuan. Stay tuned for more details and please keep checking your emails. Just a couple of reminders – please, if you haven't already, return your overnight stay permission form for Suzhou and your permission form to participate in next Wednesday's PRE-DEPARTURE morning at Golden Square Primary School. This is for the students only....parents are to drop students off at GSPS Gymnasium at 9:10am and pick them up at 1:00pm.

Finally, our next and final INFORMATION SESSION FOR TRAVELLERS, is next Thursday, 3<sup>rd</sup> May from 6:30pm – 7:30pm in the Specimen Hill Primary School art room (same venue as last time). It is extremely important to make this meeting, as it will outline any changes to travel as well as include important information about our upcoming trip. Please mark this on your calendars and don't forget! A reminder also to our Team China Fundraising Families of our Bendigo Stadium dinner tonight, 6:30pm – 7:00pm. Looking forward to seeing you there.

## **PARENTS AND FRIENDS**

Our Parents and Friends are working very hard at the moment, preparing for Mother's Day, which is just around the corner. I'd like to acknowledge the hard work of our P&F and thank them for always doing things for our students. In voluntary roles, I do hope each of our members get great joy out of doing things for all of our wonderful students. Keep up the great work!

## **CHILD SAFE**

A reminder to all members of our community that if you are volunteering to work in our school (P&F, school excursion, camp, class assistant) that you must have a valid WORKING WITH CHILDREN'S CHECK. These are easily organised online or through the post Office at no cost to you! Big Hill PS is compliant with the CHILD SAFE STANDARDS expected of all schools. When working in our school, staff and volunteers are familiar with our CHILD SAFE CODE OF CONDUCT and POLICY. If you would like to see a copy, please feel free to contact me: [pearce.matthew.d@edumail.vic.gov.au](mailto:pearce.matthew.d@edumail.vic.gov.au) and I can email you a copy. At Big Hill PS, keeping all children safe is a priority. If ever an adult, including a parent, is concerned about the wellbeing of a child, processes are followed to ensure authorities are made aware of situations to keep children safe. Our teachers are mandated by law to report, this means we cannot ignore concerns that we have and legally have to report. If you are ever unsure what to do, always report your concerns to Child Protection and feel free to make contact with myself, our Wellbeing Coordinator Sharyn Burnett OR Chaplain Megan Haddon.

## **YEAR 5/6 CAMP**

I had the absolute pleasure of spending three days last week (Wed-Fri) with our Year 5/6 students on the Maldon Bluelight Disco Camp. We enjoyed a train ride from Maldon to Castlemaine and back, participated in multiple road rides on bicycles, expended a lot of energy on a challenging night walk, enjoyed a rotations afternoon with visits to the lolly shop, game of giant soccer and Nerf Gun war the main highlights. A disco helped make our Thursday evening more enjoyable, whilst on Friday, we all rose to the Tarrengower Challenge....walking up and down the mountain and range. Well done to all girls and boys who attended AND a special thank you to the staff and volunteers who made the camp so successful.

## **ATTENDANCE**

Our attendance goal this term is 2 days or less. This is an aspirational goal, with 11 weeks in total to get through...including colder months with illness. Good luck! Try only missing school when your child is genuinely sick and I'm sure they will come close to meeting this goal.

## **READING**

Our First Steps and Junior Units continue to recognise reading awards each week. Some children are well on their way, passing the 75 night mark. If you were wondering, by the end of Term 2, your child should have achieved the 100 night mark. As parents, can you all keep track of nightly reading to ensure that your child is on track for our 200 night goal by the end of the year? Use your child's diary to keep track each week by signing and filling in each night your child reads.

## **BIG HILL PS CROSS COUNTRY**

Tomorrow, all students, from Prep – Year 6 will participate in our own Big Hill PS Cross Country event. PE Coordinator and teacher, Brett Strange, has organised a morning of events, ensuring each age group has an appropriate course to complete. Ribbons will be awarded to place getters and those in Years 3-6 will qualify for the upcoming Bendigo District Cross Country....more details to come. Looking forward to a great morning thanks to Brett's hard work!

## **SCHOOL REVIEW – MONDAY (VALIDATION DAY) & THURSDAY (FIELD DAY)**

Monday will be an extremely busy day, with our school reviewer (Toni) visiting, alongside our Senior Education Improvement Leader (Leonie) and challenge partners (Trish and Trudi). The entire day will be spent working with selected members of staff and our School Council President. Classes will be visited and observations completed, as well as interviews undertaken with key staff and students. Most of the staff involved will be unavailable during the day due to this very important process. Our reviewer will also return on Thursday to work independently, assessing areas of interest throughout the day to ensure Big Hill PS is compliant where it needs to be.

## **COLES SPORTS FOR SCHOOLS VOUCHERS**

We are still accepting Coles vouchers until the end of next week so remember to drop them into the Office. We will then send them off and will be able to choose our rewards next month.

## **CCS – NEW CHILD CARE SUBSIDY – PARENT ACTION REQUIRED**

For those families who use our OSHC facilities, you will need to complete the following before the end of this term. If you have any queries, the bottom link has all the information for you, and further in the newsletter is the details of website information sessions to help you understand the changes.

Step 1: Ask your parents to use the Governments Child Care Subsidy estimator to determine their expected entitlements.  
<https://www.education.gov.au/sites/education/files/chcare/est/index.html>

Step 2: Make sure your parents have a MyGov account as this will be important in authorising Enrolments and allowing the CCS to flow through

Step 3: Direct parents to the Government information sites to help them understand and get ready for the change.

## **YEAR 6 – YEAR 7 TRANSITION**

An application form and information pack for Year 6 – Year 7 students will be sent out shortly. These will need to be returned to Big Hill PS by Friday, 11<sup>th</sup> May.

## **BIRTHDAYS**

Happy birthday to Tayah C, Xavier P, Maliha D & Blaik Y.

I do hope the term has started well for you and your family and that things continue to flow smoothly. Remember, at any time, if you have concerns or needs, feel free to contact either Sharyn or myself, or speak to your child's teacher.

Kind regards...

## **STUDENT WRITING**

*Maldon camp: The 3 day camp started on Wednesday 18<sup>th</sup>. It was a 20-30 minute bus ride to Maldon, where we stayed at the Bluelight camp. As soon as we arrived, we took our luggage off the bus and walked to the train station. Everyone rode in a steam train going to Castlemaine and back. Everyone had fun on the train poking their heads out of the window and having fun. The carriages even looked like a scene out of Harry Potter. We waited for about 20 minutes at Castlemaine so the train could turn around. There was even a train photographer who was following the train around.*

*Back at camp the rooms were allocated and after we went back to the main carpet bit to get ready for bike riding. Our first road bike trip was to a place with a really big dam with a bike track around it. Some people got a bit lost because there wasn't a bike track some of the way around. On the way back was a bit hard because we had to ride up a hill the whole time, so when we got back to camp some people were really exhausted.*

*Afterwards we had to make our beds and get ready for the night. We were allowed to have free time once our beds were ready. We were allowed to ride around the bike track which was about 100 metres, or under 1 kilometre if you wanted to the big track. There was also a games area with a life size connect 4, ping pong and air hockey. There was also a low ropes course and a mini golf area.*

*Some cabins also had to do dinner duty and breakfast duty, which was setting the knives, forks, spoons and glasses on the table, and washing the tables afterwards. The first night we were served spaghetti bolognese, and a bread roll which was really good. For dessert we had ice cream and fruit. Once we had finished eating we had to take our dishes to the "food window" to be cleaned.*

*After dinner we had the night walk, half way up a steep hill. It went for 1 and a half hours. For the first five minutes there were crosses in the ground to remember the fallen soldiers in the war, as well as the Australian flag. The rest of the walk was interesting when we found cool insects and stuff that they used in the war. There were also really steep ditches in the ground where the water ran when it ran down the hill that some people fell over at. The walk down the hill was really steep and that's when most people fell over. Back at camp, before we went to bed we had hot milo and biscuits. Actually getting to sleep was a bit hard, because everybody was excited and wanting to talk.*

## PARENTS & FRIENDS NEWS

For breakfast the next morning we had pancakes with maple syrup or lemon and sugar. We also had toast and cereal. We rode to the gold mines, where we had a tour of inside the mine. At the end of the tour there was a puppet who waved at you when you pulled a bit of string. The last group got to blow out all of the candles as a birthday present.

After the tour we had to walk back to where we parked our bikes, and had watermelon and water. Then it was a 15 minute ride back. For lunch they prepared meat, cheese, tomato and lettuce sandwiches. The teachers took a group around to different activities which were really fun. There was the lolly shop, bouldering, bubble soccer, mini golf, a nerf gun war and the ropes course and bike riding. We had half an hour on each rotation. The bouldering was just a race to see who could get around the wall (5-6 metres) the fastest without falling off. The Polly shop was small but packed to the brim with lollies. Even a 28 year old lollipop that was the size of a small tennis racquet. We had free time until dinner which was crumbed chicken and vegetables. Dessert was ice cream and jelly.

That night we had a disco until 9:00pm. We were allowed inside where we had the nerf gun war for the disco, or the games area that was just next to it. The chicken dance and the macarena were put on too for a bit of fun. It was a bit easier to get to sleep on the last night because everyone was tired from the dancing. Breakfast was bacon, eggs and baked beans.

We had an hour hike that morning too, up the same hill except all the way to the top, where there was a big tower that you could climb up. But climbing up the hill seemed to take forever! Climbing down the hill was only like 10 minutes. We had a barbecue before taking our luggage to the departure area and going back to school.

### MELBOURNE SHRINE

On Friday, 20<sup>th</sup> April we went to The Melbourne Shrine Of Remembrance to pay our respects to the men and women who served in war.

We contributed to multiple songs, marches and speeches. We also got the opportunity to lay a wreath at the eternal flame. After the service, we sat down and had some lunch. After that, we got up and wandered around the shrine before heading back to school.
